Health & Safety Policy Statement

THE HEALTH & SAFETY AT WORK ORDER (NI) 1978

General Statement

The company accepts, under provision of the Health & Safety at work legislation responsibility for the safety and health of its employees at work and of persons liable to be affected by its operations.

It further accepts its responsibility to minimise impact on the 'environment' by reducing emissions to the atmosphere, controlling waste and by efficient use of energy.

In doing so the company expects employees to work safely and efficiently and to participate in its efforts to provide safe and healthy working conditions and practices.

Breaches of procedures supporting this policy will be considered under the company's disciplinary procedure.
