

Quality Policy Statement

It is the policy of the company to produce, reliably and consistently, high quality ready mixed concrete, which at all times conforms to contractual and regulatory requirements.

It is the intention of the company management to maintain a high quality of service through the operation of an efficient quality system.

The company's quality system shall conform with the quality scheme for ready mixed concrete BS EN 206 -1, BS EN ISO 9001:2000.

Laboratory strength testing for internal quality control purposes conforms with United Kingdom Accreditation Service (UKAS) standards.

It is the responsibility of all staff to familiarise themselves with the content of the company manual at all times with the policies and procedures defined in the manual and associated documentation.

Paul Stevenson

Managing Director
